I am a Citizen of the United States and was naturalized according

1870. My certificate of Naturalization has been lost and I am unable
to obtain a duplicate thereof, or to be naturalized anew in the said
Court because the said Court-House and the Records of my said nat-
uralization were burned in or about the year 1878 and thus entirely
destroyed.

Soon after my said naturalization, that is to say in or about the
year 1873, I came to the City of Chicago, leaving my family in the
State of Pennsylvania for a time. Afterwards, my wife sold the
household effects of my family and came to join me, with my family,

trace thereof.

During my residence in Pennsylvania, from the year 1864 to the
